Blend	42 % Cabernet Sauvignon, 56 % Merlot, 2 % Cabernet Franc
Bottling	From June 22th to 23th 2017

2015 VINTAGE

2015 is a vintage characterized by a very long drought between March and July. The budburst, then the flowering and the veraison were very homogenous, signing a great vintage.

August was more fresh and rainy for enabling to unblock the maturity. September was perfect with an optimal range of temperature between day and night, conducive for the red bunch maturity.

The resulting 2015 vintage is very high quality with freshness, powerful aroma and fineness tannin.
